## Online Conduct Policy

I, as a Massachusetts Junior Classical League officer, will present myself over the internet as I would in person and as expected of a state officer. Since any single one of my postings is viewable by the entire public, I shall refrain from posting defamatory or crude language or pictures which may tarnish our organization's reputable image. Above all, I will always use proper etiquette and common sense while communicating over the internet.

I have read the MassJCL Constitution and understand the duties of my office. I understand I must be qualified to run for the office intended. I understand the MassJCL Executive Board meets approximately 5-7 times throughout the year. I also understand the meetings are required and I will make every possible effort to attend these meetings, understanding they are part of my duties as an officer. Additionally state officers are expected to attend MassJCL events. I realize if I do not complete my duties in a satisfactory fashion I may be removed from office. I understand that my behavior and the level of professionalism is a reflection upon my sponsor, my school, and the Massachusetts Junior Classical League.
