Note Bene

Dear MassJCL,
Thank you for reading the second issue of the 2021-2022 Forum Factorum! While getting ready for the season of giving the MassJCL has been hard at work participating in many different service projects. We look forward to seeing you all at Classics Day!

Luke Ulicny

Boston Nature Center Service Event

Back in October, MassJCLers volunteered at the Massachusetts Audubon Boston Nature Center in Mattapan to help clear a field for new solar panels. The placement of these new solar panels will help this Mass Audubon site achieve its goal of zero net energy buildings going forward. We were excited to have students from Boston Latin School and Boston Latin Academy participate in this event. Everyone had a good time, and we hope to see many schools participate in MassJCL's next service event, a virtual food drive to benefit Rosie's Place this December! Follow @massjcl on Instagram for more information.

Sandwich High School Service Project

Photos and Write-Up by Meghan Barrett

The Sandwich High School Latin club won the Fall Service Spotlight competition! They prepared candy bags that included an assortment of candy and a Latin motto. By selling candy before school and during lunch, the club was able to raise money to pay for the shipping of candy to troops overseas through the Operation Gratitude project. Latin STEM students donated their extra Halloween candy for Operation Gratitude. This Halloween candy drive is a combined effort by all Latin students to remember and thank our troops.

Fall Service Spotlight

Competition Runner-Ups

BLSJCL members worked as Zero-Waste Coordinators at the 11th annual Boston Food Festival this past September. Next, Rising Tide JCL wrote letters to be sent to veterans thanking them for their service in honor of Veterans' Day. Finally, the Winchester High School Latin Club created gift baskets for local veterans as part of a community effort for Veteran's Day that is being run through the Winchester Intergenerational Group.

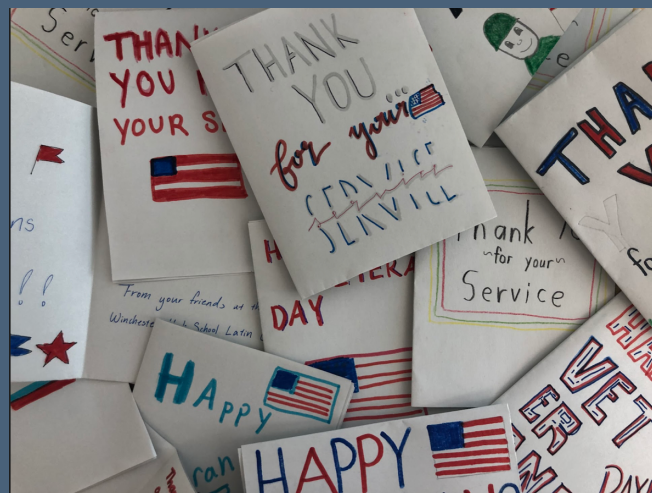

Thanks to all for submitting, and we look forward to hearing about more service work done by our local chapters!
